Experience

Freelancing

Full Stack Web Developer

Sep 2024 – July 2025

Chennai, Tamil Nadu

- Delivered responsive websites and web applications using HTML, CSS, JavaScript, Node.js, and MySQL for various clients, ensuring high performance and user satisfaction.

Prodigy InfoTech

Web Development Intern

Sep 2024

City, State

- Completed a web development internship at Prodigy Infotech, successfully finishing 5 hands-on projects. Developed a responsive landing page, stopwatch app, tic-tac-toe game, personal portfolio, and weather application. Gained practical experience in HTML, CSS, JavaScript, and frontend development.

Projects

Karthika WoodWorks | Html, CSS, JavaScript

- It is a static web page. This website allows people to see different types of wood and materials from the company, and they can also place an order.

Recipe-book | Html, CSS, JavaScript, MongoDB Atlas

- Developed a Recipe Book web app using React.js to display random and searched recipes with bookmarking functionality. Integrated API data, implemented dynamic routing, and responsive UI for enhanced user experience.

MMMS | Html, CSS, JavaScript, PHP, MySQL,

- Successfully developed Mithran Matchworks Management Information System (MMMS), a web-based platform for managing Matchworks operations.
- Implemented admin and manager modules for handling production, employee, customer, and sales data using HTML, CSS, JS, PHP, and MySQL.
- Enhanced user experience with real-time data updates, secure login, and intuitive dashboards for operational efficiency.

PORTFOLIO | Html, CSS, JavaScript, getform.io

- Developed a responsive personal portfolio website using HTML, CSS, and JavaScript to showcase projects and skills.
- Implemented an automated message sending system via getform.io, enhancing user interaction through real-time email notifications.
- Integrated a contact form with secure backend handling, demonstrating proficiency in full-stack web development.
